Did You Know...

- You can use VA education and training benefits to pursue your dream career.
- These benefits aren't just for traditional four-year colleges—for example, you can go to culinary school, learn automotive repair, train at the police academy, or earn an emergency medicine certification.
- With VA's Yellow Ribbon Program, you may even be able to attend a private university that was financially out of reach.

VA Serves Veterans

In gratitude for your honorable service to our nation, VA provides benefits to help you buy, retain, or modify a home; earn a degree; start a career; stay healthy; and do so much more in life after the military.
